STORM CLOSING/DELAY POLICY (All Y Locations: YMCA, Y at CMCC, Daisy Garden)

In the event that inclement weather forces us to delay opening, close early, or close altogether, our policy is as follows:

- It will be posted on our Mobile App, Website (www.alymca.org), Facebook, Twitter and Channels 6, 8 and 13.
- A delay means the Y will open at 9:00 a.m.
- If either Auburn or Lewiston school systems have school, then the Y will be open with a possible delay.
- If BOTH Auburn and Lewiston school systems cancel school and the Y has not been closed, then there will be no morning programs running. The fitness center, child watch and child care will be open but no classes or lap swim until noon.
- If necessary, a decision on mid-day programs/classes will be made at 10:00 a.m. and evening cancellations will be made at 2:00 p.m. We may make the decision to delay or close the day before depending on the forecast.

Early morning programs (lap swim and group exercise):

We will always do our best to inform members before we open if there are any cancellations/closures/delays, however, please understand early morning instructors may not be able to get here if there is inclement weather and early morning programs may be canceled. When in doubt, please stay safe!
